Dear Friends of the Arts,

"As the arts inspire creativity in each of us individually, they breathe life into our communities." - Julia Garnett, Director for the Cultural Council of Greater Tacoma

You have helped breathe life into our community through your generous support of Fine Arts Council programs. Although the current economic climate challenges us all to evaluate our priorities, we hope that you will agree that the presence of art in our community is more important than ever during this **ninth season** of Fine Arts Council programming.

This year, the Fine Arts Council will present the following programs in New Buffalo:

- Music of America with Paul Mow, one of America's most promising performers, and other special guest performers at Grand Beach Village Hall on September 20, 2009
- Theresa Ruppert Concert: "Just Dance" - music with a unique blend of country and blues - at New Buffalo Performing Arts Center on March 13, 2010
- Children's ArtTent, a day of multi-media art experiences for children offered at no cost in conjunction with Art Attack Weekend, April 30 – May 1, 2009
- Other events may include musical ensembles, dance, art appraisal for fine and decorative arts, and additional art experiences for children

As our mission is to keep the price of admission to these premier events affordable, the support of the business community is essential. **Please consider making a donation in support of arts programming in our community.** Inspiration, education, and uplift are all worthy causes and can truly occur in the course of a single contact with the arts.

Your consideration is greatly appreciated. Should you have any questions regarding the New Buffalo Fine Arts Council or our programs for the coming year, please do not hesitate to contact our program chairperson, Pam Oselka (e-mail: poselka1945@att.net; phone: 269-469-2706).

Thank you,

Janet M. Clark, President

Enclosed is my tax-deductible donation in support of The New Buffalo Fine Arts Council.

____ Benefactor (\$1000+) ____ Supporter (\$500-999) ____ Partner (\$250-499)
