July 2011

Dear Friends of the Arts,

Thank you for your support for the fine arts in our community. Your attendance at New Buffalo Fine Arts Council programs, and/or your generous donation to the New Buffalo Fine Arts Council have made our arts programming possible. We hope that you will agree that the presence of art in our community is more important than ever during this our eleventh season. Attendance during our Performing Artist Series continues to grow each year, and we are encouraged and enthused with the response from the New Buffalo area communities.

The enclosed brochure presents details for the upcoming season. Featured will be a variety of crowd-pleasing programs for all ages from jazz to Russian Dance to romantic selections and the "Boogie Woogie Babies." Our wine and cheese events continue to be sold-out performances.

Students are always free to Fine Arts Council programs. Special children's events include activities during New Buffalo's Harvest Fest and a Spring 2012 Children's Art Experience.

It is through your generous support that we are able to keep the price of admission to these premier arts events affordable for everyone in our community. **Help us to continue bringing affordable arts programming to our community next year.** Please be generous when you make your tax-deductible donation at www.nbfac.org, or by returning the enclosed form.

Thank you for considering this request. Should you have any questions regarding the New Buffalo Fine Arts Council or our programs for the coming year, please contact nbfinearts@gmail.com or 269-409-1533.

Thank you,

Janet Clark, President
